Fraternities and sororities are the premiere collegiate experience and have been a part of our campus since the 1900s, playing an important role in the lives of thousands of students and alumni. Their educational programs, social activities, service projects, and leadership development opportunities continue to contribute much to the University community.

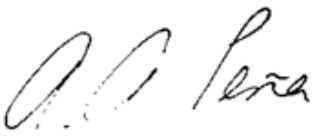
UAlbany currently has 39 values-based chapters across six governing councils that range in mission from social to service to cultural; however, each chapter was founded on the principles of scholarship, service, leadership, and community.

As a lifetime member of Sigma Lambda Upsilon/Señoritas Latinas Unidas Sorority, Inc. I recognize the important role that fraternity and sorority life has on a university's campus. I encourage you to participate and take advantage of the opportunities provided by our Greek-lettered organizations.

This report is designed to celebrate the core values of our community, recognize our hard working student leaders, and share their organizations' stories.

I look forward to seeing you at our next event.

Fraternally yours,



Arleny Alvarez-Peña, Assistant Director
Student Involvement & Leadership

Members of the Latino Greek Council

On Saturday, March 7th, 2015, the Albany Police Department and the school of Brighter Choice hosted their 3rd annual Basketball Tournament. Teachers from Brighter Choice played a friendly basketball game against representatives of the Albany Police Department with the goal of raising funds for the school's after school programs.

The Latino Greek Council helped with the event by assisting with the set-up, collecting ticket fees charged for entry to the event, catering food, as well as interacting and speaking with the students and parents from the school.

PINE HILLS CLEAN UP

Fraternity and Sorority Life in collaboration with Neighborhood Life adopted several weekends to clean up the streets and lawns throughout the Pine Hills area.

Sexual violence is a very serious public health problem that affects millions of men and women. Fraternity and Sorority Life has partnered with the Office of the President and the Advocacy Center to promote Sexual Assault Awareness Month. Our Greek-lettered organizations supported the month by providing programming, tabling, participating in our photo campaign, and much more!

CONGRATULATIONS CLASS OF 2015!!

FRATERNITY AND SORORITY AWARDS AND RECOGNITION

The Office of Fraternity and Sorority Life conducts a yearly assessment of its chapters to determine how the core values of individual fraternities and sororities support the community at UAlbany. The assessment is composed of five different categories through which individual chapter performance is measured: scholarship, leadership, service & philanthropy, and new member education. A score of 190 or higher in a category means the chapter is achieving minimum standards set by Fraternity and Sorority Life, and the chapter earns a star. The chapter that receives the highest point value in each of the categories below is recognized with the overall excellence award for that category.

Chapter Standing

Each semester an organization can earn up to 300 points and the opportunity to earn an additional 32 points based on a successful new member education program. Each semester's results are used to designate a chapter as one of the following: Exceptional, Good, Fair and Poor.

EXCEPTIONAL: The chapter has exceeded the minimum expectations required of each social or cultural fraternity, sorority and social fellowship and earned a score of 90% or better.

GOOD: The chapter has satisfactorily achieved or maintained all standards required of each social or cultural fraternity, sorority, and social fellowship and earned a score of 70% or better.

FAIR: The chapter has failed to meet the minimum standards required of each social or cultural fraternity, sorority, and social fellowship; however, the deficiency can be corrected the following semester. Chapters that are designated with this standing earned a score between 50% and 69%. The Assistant Director of Fraternity and Sorority Life will outline the expectations a chapter must meet in order to fulfill the deficiency (ies) that resulted in the Fair standing in a detailed **Action Plan**. Those chapters designated as Chapters in Fair Standing for an entire academic year will be referred to the All Greek Council for sanctions.

POOR: The chapter has failed to meet the minimum standards required of each social or cultural fraternity, sorority, and social fellowship. Chapters that are designated with this standing earned a score between 25% and 49%. The Assistant Director of Fraternity and Sorority Life will outline the expectations a chapter must meet in order to fulfill the deficiency (ies) that resulted in the Poor standing in a detailed **Action Plan**. A Chapter in Poor Standing will be referred to the All Greek Council for sanctions. Those chapters designated as Chapters in Poor Standing for an entire academic year will be administratively reviewed.
