Courses in Counseling Psychology

E Cpy 403
Peer Counseling and Peer Education: Theory and Practice I (3)
In this course, which is a companion to E Cpy 400 (Foundations of Peer Counseling and Peer Education), students will have the opportunity to practice peer counseling and peer education skills through supervised experiences which will occur on the Middle Earth crisis hotline and/or in the Middle Earth outreach education service. Students will also participate in weekly supervision groups which are facilitated by instructional staff. A primary strength of this course is that learning can take place in the context of a campus service agency, allowing students the opportunity to apply skills which they have learned.
Prerequisite(s): Students must complete E Cpy 400 or the equivalent and obtain the permission of the instructor in order to enroll in this course. Permission of instructor required.
