Courses in Geography

A Gog 250 (=A Glo 363) Geography of Latin America (3)

This course offered online through the Blackboard Learning System. An introduction to the geographical diversity of Latin America, reviewing the Continent's physical features, natural resources, societies, economies and politics, and relating them to its history and cultural traditions. Particular attention will be given to rural and urban living conditions, social and regional inequalities, population distribution, internal and international migration, and socioeconomic development issues.
