14TH ANNUAL CONFERENCE

Friday, November 6, 2015
7:30 am to 3:30 pm
The Desmond Hotel and Conference Center – Albany, NY

Join the University at Albany’s Center for Autism and Related Disabilities along with experts in the field of autism for a conference in Albany, NY. A keynote presentation in the morning will be followed by two afternoon breakout sessions. We welcome parents, school personnel, and community professionals.

Keynote Presentation:

Howard Shane, Ph.D., CCC-SLP
Boston Children’s Hospital
Associate Professor, Harvard Medical School
“The Use of Technology and Visual Supports to Improve Communication and Learning in Individuals with Autism”

Break-out Sessions:

Kathleen Feeley, Ph.D. – Long Island University Post
“Supporting Students with ASD in Inclusive Settings”

Matthew Lerner, Ph.D. – Stony Brook University
“New Directions in Understanding and Treating Social Competence in ASD”

Abbey Eisenhower, PhD – UMASS Boston
“Promoting Successful Student-Teacher Relationships”

Peter Gerhardt, Ed.D. – Chairman of the Organization for Autism Research
“Adaptive Behavior Skills in Adolescents with ASD”

Peter Gerhardt, Ed.D. – Chairman of the Organization for Autism Research
“The Transition to Adulthood for Individuals with ASD”

David Meichenbaum, Ph.D. – The Summit Center
“Redefining Consequence: Practical Skill Building Strategies for Reducing Challenging Behaviors at Home and School”

Janice Chan, MA, BCBA – Rady Children’s Hospital, San Diego
“Pivotal Response Training: Antecedent Components”

Janice Chan, MA, BCBA: Rady Children’s Hospital, San Diego
“Pivotal Response Training: Consequence Components”

Registration will open in late September.

If you have any questions concerning the conference or would like to be added to our mailing list to receive a brochure for the conference, you may contact the Center for Autism at 518-442-2574 or card@albany.edu.
