Individuals on the Autism Spectrum often have difficulty finding and maintaining employment. A vocational rehabilitation counselor from the NYSED Adult Career and Continuing Education Services – Vocational Rehabilitation (ACCES-VR) will discuss the importance of transition planning. This presentation will discuss IEP requirements for the transition to employment/post-secondary education, as well as helpful community resources for the transition process.

Center for Autism and Related Disabilities
College of Arts and Sciences
Department of Psychology
1535 Western Ave.
Albany, NY 12203
Phone: (518)442-2574
Fax: (518)442-4834
E-mail: card@albany.edu
