Spring Family Training Series
Growing Social: Strategies to Navigate the Social World Successfully
Presenter: Vickey Morrison, CCC-SLP

For people growing up on the Autism Spectrum, coping with a social world can pose significant challenges. A Speech-Language Pathologist and parent of a grown son on the Autism Spectrum shares insights, ideas, and real-world experiences that may be helpful to other parents. The close relationship between communication and social development will be discussed. This presentation will discuss ideas and recommendations appropriate for every developmental stage, from early childhood to adulthood.
