It’s never too early to teach self-advocacy skills to your child. This seminar will talk about the importance of being able to advocate for oneself, ways to teach self-advocacy skills, and supports that will help individuals with autism learn about themselves and their own specific likes and dislikes.

The Center for Autism and Related Disabilities
College of Arts and Sciences
Department of Psychology
1535 Western Ave.
Albany, NY 12203
Phone: (518)442-2574
