To Blink or Not to Blink: Understanding How Children with ASDs Experience the Visual World

Distinguished Guest Speaker:
Warren R. Jones, Ph.D.

Director of Research, Marcus Autism Center, Children’s Healthcare of Atlanta
Assistant Professor, Department of Pediatrics, Emory University School of Medicine

Wednesday, March 13, 2013
2:00–4:00 pm
Century House
997 New Loudon Road, Rte. 9
Latham, NY 12110

Nationally recognized expert, Dr. Warren Jones will present some of his current research designed to better understand the needs and experiences of children on the autism spectrum including differences in eye blinking and the resulting loss of visual information.
