Take the Northway (I-87) to Exit 9. Head west (left) off the exit and go past the entrance to the Price Chopper Plaza on Route 146. At the next light (Maxwell Drive, CVS will be on the corner across from you, McDonald's will be on the corner next to you), take a right onto Maxwell Drive. Go through one stop light and turn right at the next drive, which is kitty corner across from the Cengage Learning building. We are the second door from the right.
