Intramural Whiffleball

The Intramural Program staff will work hard to ensure that all participants have the safest experience, but guaranteeing absolute safety is not possible. Be aware that participation in intramural sports activities, including use of intramural facilities and equipment, is completely voluntary. There are risks and hazards, minor and serious, associated with participation in intramural sports activities. Participants voluntarily assume all responsibility and risk of loss, damage, illness, and/or injury to person or property associated with participation in intramural sport activities.

University at Albany, the State University of New York and the State of New York are not liable for any injuries, damages or other losses which individuals may incur while using recreational sports facilities or participating in the Intramural Program provided by the Office of Campus Recreation. The University at Albany does not provide medical, health, or other insurance for participants. Medical expenses incurred such as ambulance, doctor bills and x-rays will be the responsibility of the participant. Purchasing adequate health/medical insurance prior to participation is strongly recommended.
