

## **The Lawrence and Marie Shore Graduate Scholarship In the Life Sciences**

### **Statement of Purpose**

The Lawrence and Marie Shore Graduate Scholarship in the Life Sciences enhances the educational mission of the University at Albany through the provision of an annual graduate scholarship to a student studying Biological Sciences (including Forensics), Chemistry, Psychology (Neuroscience) or Physics (Biophysics). The award shall be applied to a graduate student in financial need and who has demonstrated academic achievement.

### **Eligibility**

All students currently enrolled in a Masters or Ph.D. program in Biology, Chemistry, Psychology or Forensic Sciences are eligible to apply. The Scholarship is \$1,250 and will be awarded at the beginning of the Fall semester.

Applications are available online at the CAS Dean's Office website and in the Biology, Chemistry, Physics or Psychology department offices. The deadline is Friday, April 15, 2011.
