Greetings CEAS Graduates,

Please read this email carefully as it contains very important information regarding the CEAS Commencement Ceremony this Saturday evening. This email is also in regards to only the CEAS Commencement Ceremony. Please make sure to share this email with family and friends who will be attending.

This email does not pertain to the overall undergraduate ceremony on Sunday morning. For more information on Sunday’s ceremony, please visit: http://www.albany.edu/commencement/

For students:
Where and when?
Check-in for Students only: Draper Hall entry hall: 4:45 pm (Do not be late)

For family and friends:
Where and when?
Page Hall, Downtown Campus, 5:30 pm
Tickets Required for entry
Doors open at 4:45 pm

Balloons will not be allowed in the Page Hall Auditorium. If balloons are brought to the ceremony, family and friends will be asked to leave the balloons outside in the hall until after the ceremony is over.

Parking: Parking will be available in the Thurlow Terrace Parking Lot on Western Avenue (Directly across from Draper Hall) and the Hawley Parking Lot on the corner of Washington Avenue and Robin Street. Please refer to the attached map for details on parking and entrance to Page Hall and Draper Hall.

Family and friends who are in need of handicapped parking should park in the parking lot between the Phillip Schuyler School (future home of the College of Engineering and Applied Sciences) and Milne Hall (please see attached map). They
can then take the elevator to the 1rst floor and enter the main hallway to Page Hall. Commencement staff will have a limited number of wheelchairs for transport to and from the handicapped parking lot to Page Hall only. Due to limited availability of wheelchairs, users will need to sit in a regular auditorium seat (unless their own wheelchair is provided). If a wheelchair is needed, please notify a staff volunteer inside Page Hall so that a wheelchair can be brought out. We strongly recommend that families bring their own wheelchair (or rent one) for the weekend. Wheel-Care on Western Ave is a local source for renting wheelchairs. If you have any questions or concerns pertaining to this, please notify me immediately.

If family and/or friends are not able to make the CEAS Commencement Ceremony, there is a live stream available. Please direct family and friends to the following link: https://livestream.com/vvt2/UACEAS2017

We are all very excited to share in the exciting and momentous day with you all!!!

If you have any questions, please contact Todd or Michelle at CEASAdvise@albany.edu or come and see us during our normal advisement walk-in hours, M-F, 10 am – 3 pm.

Thanks,
