

## **SUPPORTING UNIVERSITY ELECTIVES FOR CREDIT IN THE COMMUNICATION MAJOR**

The courses listed below can be used to satisfy requirements in the Communication major for “supporting electives”. Courses are grouped under four headings; the four headings indicate whether an elective is relevant to department course work in general, or is relevant more specifically to the areas of Interpersonal/Intercultural Communication, Public Communication, or Organizational Communication.

Credit is given for the courses listed regardless of the alphabetic suffix that may be appended to the catalog number.
