

COMMUNITY AND PUBLIC SERVICE PROGRAM
Media Prior Approval Request Form

Student's Full Name

Student's Email Address

Semester & Year: _____

The Electronic Media Project is an opportunity for you to creatively display what you have learned overall and about yourself through your volunteer hours. This can be displayed through a power point, booklet, audio or video recording (examples, advertisement, training, public service announcement, documentary, commercial, etc.), web page, etc. This project could be posted on the CPSP web site, or used for publicity purposes.

Project Plan (please provide a brief description including media type and information sources):

Does proposed plan require any release of information and/or media releases from the agency signed by applicable families and/or individuals due to the nature of the material? Yes No

If yes, are appropriate releases attached? Yes No
