Do you have your will, power of attorney, and health care proxy set up?

Estate planning isn’t just for elders! As adults, we all need to think about setting up these important documents. Putting them in place helps plan for the future from a legal standpoint and provides our families with an outline of our wishes. These actions can give everyone some peace of mind. Join attorney Michelle Wildgrube from the law firm of Cioffi Slezak Wildgrube P.C. as she explains what you need to know about estate planning.
