The EAP Art Break is back! This is a great way to get energized during your work day and connect with others who are interested in the arts and learning about the UAlbany campus! Join us as Naomi Lewis provides a talk and tour of the current exhibit titled *When We Were Young: Rethinking Abstraction from the University at Albany Art Collections* (1967-present). Looking back at highlights from the earliest years of the University at Albany Art Collections, this exhibition shines a fresh light on late-Modernist abstraction as it relates to current trends in contemporary art.
