The Employee Assistance Program presents:

Art Break

Aurélien Froment
Théâtre de poche (Pocket Theatre), 2007

A magician pulls a seemingly endless stream of random images from his pocket, including family photographs, playing cards, and film stills, arranging and rearranging them in mid-air.

Join us at the University Art Museum for a tour of the current exhibit titled The Ties That Bind Artists and Archives. The exhibit “presents seven artists who use the archive in its myriad forms to explore our collective histories and shared humanity.”
