Join us as University Museum Director Janet Riker takes us on a tour of the current exhibit by artist **Mary Reid Kelley: Working Objects and Videos**. This exhibit “marks the first time this critically-acclaimed artist presents the finely crafted and researched costumes, objects, and drawings that are key to her inventive video process, which fuses live performance, drawing, sculpture, costume design, and digital media.”

University Art Museum  
Wednesday, August 13  
12:00 - 12:45 pm
