Homework: Citation

On the following pages you will find colophons from various sources. Your assignment is to compile a bibliography of these sources. For CJK colophons, you need only include those pertinent to YOUR language (e.g., if you study Chinese, you can ignore Korean and Japanese sources; if you study Japanese, you can ignore Chinese and Korean sources; if you study Korean, you can ignore Japanese and Chinese sources). Also, if romanizing a name is too difficult for you yet (a strong possibility), you need only reproduce the characters.

REMEMBER that your bibliography should be in ALPHABETICAL ORDER, should be formatted with HANGING INDENTS, and should also include all the necessary fonts (italics where appropriate, macrons, etc.).
