

PROJECT WORK ALERT NOTIFICATION

October 15, 2009

UPTOWN CAMPUS

Computing Center, Carillon Drive East and Eastern Athletic
Fields

Underground Pipe Renovations

Project / Work Order # **A09-17498**

ESTIMATED START: 10/21/2009 07:00 AM

ESTIMATED END: 11/30/2009 05:00 PM

PROJECT DESCRIPTION/SCOPE:

The storm water drainage pipe associated with this project will be relined using a process called CIPP, Cured in Place Pipe. The process will require some disruption to normal pedestrian and vehicle traffic. The storm sewer pipe and roof leaders between Arts and Sciences and Fine Arts and out to a manhole on the south side of University Hall will be lined using CIPP. In addition, a deteriorated pipeline that runs along the eastern edge of the practice fields will be lined as well.

The process includes cutting the floors open in the Computer Center hallway, using pumps to by-pass water flow and above ground piping.

POTENTIAL IMPACT ON SURROUNDING AREAS: *(please check all that apply)*
