Spring 2008

WSS 545 (9358):
BLACK DIASPORAS, FEMINISMS, & SEXUAL POLITICS

Mondays, 4:15-7:05 pm
Education Building, Room 120
Instructor: Dr. Janell Hobson

Challenging such terms as the “African Diaspora”, this course will explore different geopolitical spheres of Europe, America, Africa, the Caribbean, and beyond as we question how blackness, and black femininity in particular, shift meanings in varied locations but also converge in formations of global and feminist identities.
