

Prof. Kyrish Iyer

Hello everyone,

Let me start off by saying, welcome to MGT481, and thank you for enrolling in this course. It's great to see people who are not just willing and able, but HAPPY to be learning, improving, and moving forward with their lives. It's an honor for me to be guiding you through this course, and hopefully you'll enjoy our time together, all while increasing your business acumen and breadth of knowledge.

My goal for this course is simple: guidance. Your goal? Not just a passing grade, but hopefully some lessons that will stay with you and help you in your career path.

Please feel free to contact me if you require any assistance.
