

## SPECIAL INSTRUCTIONS

### Instructions for students who do not live with parent(s):

Are you a ward of the court or currently under the care of a foster care agency?

Yes  No

If yes, *please submit a statement from the agency* to document that you will continue in this status.

If you are not a ward of the court and do not live with your parent(s), you must send documentation to this office explaining why it is necessary for you to live with someone other than your parent(s). You must attach the following three documents:

- 1. a notarized detailed statement** from you explaining why you do not live with your parents and how you supported yourself
- 2. a notarized statement from the person(s) with whom you have been living stating how long and why you have lived together and** amount of support, if any, provided to you
- 3. a detailed statement** from a professional such as a social worker, member of the clergy or counselor **on official letterhead** verifying your circumstances
