Institutional Eligibility Requirements**

- 1. Continuing and readmitted students must have a minimum cumulative grade point average of 2.0 to be eligible for an award.**
- 2. Students who are certified for an APTS award for a particular term must achieve a “cumulative passing average”(CPA) for that term in order to receive APTS in a subsequent term.** Students who fail to achieve a CPA in an award term must complete at least 1 subsequent semester term without the benefit of APTS and achieve CPA in that term to regain eligibility for future terms. “Cumulative passing average” is defined as earning a minimum 2.0 GPA in a semester for which an APTS award is received.
- 3. The CPA requirement may be waived for undue hardship based on (i) the death of a relative; (ii) the personal illness or injury of the student or (iii) other extenuating circumstances.** A waiver of the CPA requirement must relate to circumstances that can be demonstrated to have affected the student’s ability to achieve a CPA during the last semester for which an APTS award was received. Contact the Office of Student Financial Services/Financial Aid for further information.
- 4. Incomplete grades from any prior term which affect eligibility for APTS must be completed and posted no later than the application deadline for the award term.**
- 5. Students who are registered for less than 12 credits, but have incurred full or partial tuition liability for 12 or more credits, are not eligible for APTS.** These students may, however, be eligible for TAP, and should apply for TAP.
- 6. Awards will be based on enrollment status as of the certification status date for NYS Grants and Scholarships—for Fall 2009, September 28, 2009 and for Spring 2010, February 17, 2010.**
- 7. If a student or parent has income that would require filing a federal or state tax return, they must file to be eligible for an award.**
- 8. Awards will be limited to the difference between actual tuition charges and any tuition payment or tuition reimbursement made by any other federal or state agency.**

Refer to the application instructions for general eligibility information, established by the New York State Legislature and the New York State Higher Education Services Corporation.
