Revised April 14, 2004

General Education Outcomes Assessment
Assessment Form 2

Course Number (Section Number)/Name: _____

Course Instructor: _____

General Education Category: _____

1. Please describe the assessment measures you used in your course.

   - If you utilized items on quizzes and/or items on multiple choice/fill-in-the-blank exams, please cut and paste sample items that correspond to *each* General Education Learning Objective (Attach copy of Assessment Form 1).

   - If you utilized components of essay exams and/or components of papers/projects, please attach the 1) text of the assignment and 2) either a sample scoring rubric or a narrative that describes the criteria you used to measure student learning on the General Education Learning Objectives you used in your course.

   - If you utilized other assessment methods, please provide an example of the method and the criteria you used to measure student learning on the General Education Learning Objectives you used in your course.

2. In the space below or on a separate sheet of paper, indicate *how* the assessment measures you used enabled you to assess student success in meeting each learning objective.

3. Identify the *number of students* in the course who achieved at each level for each General Education Learning Objectives you used in your course.
