Public Meeting #2
Bike Route Signage Strategy and Bike Sharing Feasibility Study

The City of Albany Department of Development and Planning, CDTC, and consultants Alta Planning + Design are conducting a study on what bike route signage is needed in the City of Albany and how bike sharing might be implemented here. Please join us on the evening of January 22nd to learn more about the study’s draft recommendations and to provide your input.

WHEN:
Tuesday, January 22nd, 2013
5:00 p.m.  Open House (drop-in anytime)
6:00 p.m.  Presentation and Workshop

WHERE:
Saint Joseph’s Hall at the College of Saint Rose
432 Western Ave., Albany, NY

For more information, contact Kate Lawrence at (518) 434-2532 x17

Recommendations that will be covered during the presentation and small-group discussion include:

- Bicycle routes that should be prioritized for wayfinding signage
- Overview of bicycle route sign standards
- Options for bicycle route sign designs
- Overview of other cities’ bike share systems
- Feasibility of bike share for Albany (including financing)
- Improvements that the City can make to build demand for bike share
- Potential bike share system size and service area
