

University At Albany's 11th Annual

# Energy Campaign

SEPTEMBER 6TH

NOVEMBER 12TH

It's time for the Energy Campaign! We're looking to hit a 10% reduction of the energy baseline across campus this year. In Fall 2016, the living residences reached a 15% reduction, whereas the academic buildings only reached a 3.3% reduction, for a grand total of an 8.2% reduction.
