

Want to become a teacher? *or*
Already teaching and want to
diversify your skills and credentials?

**The Division of Special Education
at the University at Albany can help!**

- We offer the **ONLY** graduate degree programs in the Capital Region that can lead to multiple certifications in elementary school, reading, and/or special education teaching.
- Full and part-time programs available.
- Learn from experienced faculty who have expertise in the latest evidence-based teaching methods and who conduct and publish cutting-edge research.
