MCAA Addendum to RGSO application

Please read the MCAA guidelines below. If you have any questions about whether or not your event fits these guidelines, or questions and/or comments about the guidelines in general, please email the MCAA chair at gsamcaa@albany.edu.

Guidelines

- An MCAA approved event/project should engage participants in conversations and activities that address, at least one of the following themes:
  a. Structural power inequalities,
  b. social justice,
  c. intercultural dialogue/cultural awareness
  d. institutionalized oppression,
  e. intersectionality,
  f. combatting marginalization
  g. critical conversations/dialogue about race, ethnicity, sex, gender identity and expression, sexual orientation, age, religion, spiritual practices, physical and mental ability, wellness, socio-economic status, veteran status, and national origin

(These lines to be voted on at the December 5th assembly meeting).

All RGSO’s receiving MCAA approval for an event, must show on their event flyer that the event was MCAA approved.

All MCAA events that are not approved may be resubmitted to the MCAA chair and their committee for re-evaluation, and a possible, second vote, pending prior communication with the MCAA chair. There will be a process of consultation when an event does not meet MCAA guidelines. If an event is not approved by the MCAA, we will notify the RGSO and help to plan/revamp an event to fit these guidelines.

If any RGSO needs help developing an alternative event/project proposal, we encourage them to reach out to the MCAA chair before submitting an RGSO application.
