Motion to Create a Steering Committee for the GSA Five-Year Strategic Plan

Proposed by Bob Beach
September 4, 2015

Resolved, That a steering committee of at least seven (7) members including the GSA President and at least four (3) other voting members of the GSA Assembly and three (2) additional members (voting or non-voting) be created to formulate a long term plan for the GSA. This committee should meet at least once before September 25th to formulate a charge for the committee to be presented for approval by the Assembly during the October 2nd meeting.
