The expectation of students living in residence at the University at Albany is that they will conduct themselves in a manner that both respects and contributes to the cultivation of an academic living
environment. Students must abide by the policies and regulations set forth in the Terms and Conditions of the University Apartments & Residence Halls License as well as by the University’s Community Rights & Responsibilities. Please see section IX of this license for further details.

The On-Campus Residence Requirement
All students with an admission classification of freshman as recorded on the Integrated Administrative System are required to live in on-campus residence facilities for their first two years at the University. Transfer students are exempt from this requirement.

Additional exemptions for the following reasons will be reviewed upon receipt of a formal application requesting a release from housing, available at http://www.albany.edu/housing, accompanied by official, third party documentation. The following reasons will be considered:
1. Student is married
2. Student is 21 years of age or over
3. Student is a veteran

Students are advised that their License is binding for the duration stipulated herein. Withdrawals from residence for any reason, resulting in the breach of this license agreement, will result in financial penalties incurred by the student. Students should familiarize themselves with sections XIII (Payments) & XIV (Refunds and Billing Adjustments) of this License.

* Section XV of this agreement outlines the appropriate procedures for applying for releases from residence, and the circumstances under which students may be granted such releases. Penalties may still apply for breach of this license in any way.

II. ELIGIBILITY
The offer of on-campus housing accommodations is extended to registered, matriculated students. Preference for residence in University housing will be given to full-time degree candidates, however part-time status does not terminate this agreement. Only registered students who have completed a Housing Application, acknowledged receipt of the Terms and Conditions of the Housing License, signed a Room/Apartment Condition Form, and been assigned to a space are permitted to reside in the University at Albany residence halls or apartments. Non-matriculated, continuing studies, and General Studies students will be considered for housing only if space is available and only after all traditional matriculated University at Albany students have been housed, and with approval from the Director of Residential Life. Consideration should be requested by emailing Residential Life at reslife@albany.edu. Persons not registered for courses at the University at Albany are not permitted to live on campus.

University Apartments
All students assigned to an apartment must reside in their assigned bedrooms, and are prohibited from switching bedrooms, taking a roommate that has not been assigned by the Department of Residential Life, or permitting any part of their room or apartment to be shared by persons not assigned by the Department of Residential Life. This rule also applies during the summer months. No resident may allow others to reside in their bedroom, currently unoccupied bedroom/spaces whether assigned or not assigned to another resident or in the common areas of their apartment. The overnight guest policy must be followed at all times. Students found in violation of this rule will be instructed to remove the individual(s) within 24-hours or their license will be revoked. A subsequent violation of this policy will lead to immediate removal from University Apartments to one of the Quadrangles. Additionally, students and their guest(s) who damage bedroom doors in an effort to access a currently unoccupied room will be reported to University Police and be liable for the cost of the door damage.

III. ROOM ASSIGNMENTS
A. **Residence Halls**

All students may apply to reside in University Residence Halls; however the University is not required to house all students. The University reserves the right to increase the occupancy of a room beyond design capacity at a reduced room rate for all students in that room, and to change the occupancy of an increased room to normal at any time. Increased occupancy rooms may include bunk beds. The assigned students select beds, on a first-come first-served basis, during check-in.

**Room & Board Rate Adjustments**

The University reserves the right to adjust room and board rates at any time if warranted by State budget conditions, unforeseen cost increases or occupancy losses. Room rates are subject to approval by the State University of New York System Administration.

Only University at Albany students who are juniors, seniors, graduate students or 21 years of age may apply to reside in University Apartments. Class status is based on the 2013 - 2014 academic year. The DRL may allow students of sophomore status to live on freedom at its sole discretion.

C. **All Resident Students**

All students must reside in their assigned bedrooms, and are prohibited from switching bedrooms, taking a roommate, or permitting any part of the room to be shared by persons not assigned by the DRL.

**Housing Sign Up:** All eligible continuing students may request on-campus housing for the 2014 - 2015 year during the Spring 2014 semester. Room selection is based on a lottery system. Continuing students who do not complete this procedure during the announced time period will have to apply at the DRL and will be assigned on a space-available basis.

D. **New Students**

*Freshman, Transfer and Readmitted students* will have the opportunity to state preferences on the Housing Application Form. Stated preferences will be honored where possible, but are not guaranteed. New student housing assignments are made based upon the date of receipt of the completed Housing Application Form and Housing Deposit.

E. **Room Changes**

Based on availability, requests for room changes may be honored after **Monday September 8, 2014** and ending **Monday December 1, 2014** for the Fall 2014 semester. For Spring 2015, room changes will be accepted **Monday February 2, 2015**. **Students may not occupy two spaces concurrently.** Therefore you must check out completely from your old space prior to moving into your newly assigned room. For all room changes at the end of the Fall semester students must check out of their current location prior to departing for intercession. If you are granted a room change and do not check out prior to intercession, you will forfeit your new assignment. If your new assignment is available you may move into the new location before intersession, otherwise you will need to bring all of your belongings home and/or store them during the intersession.

VII. MEDICAL ACCESSIBLE HOUSING NEEDS

A. Policy Regarding Special Housing Requests
Special housing requests include:
1. Exemption from the requirement of on campus residency for the freshman year of undergraduate study.
2. Special housing on campus.

In the event a student feels they have a medical condition which warrants a change in their housing situation, the request is forwarded to the UAlbany Medical Director.

The decision to grant such a request is based on the medical necessity of the student’s diagnosed condition.

In order for a fair decision to be reached, based on true medical need, the student will need to do the following:
1. Make the request to the Residential Life Department.
2. Provide the Medical Director with a typed letter from the student’s treating physician, which includes:
   a. The diagnosis.
   c. Length of treatment of condition by the physician providing the letter.
d. Anticipated benefit of housing change, with reference to particular aspects of the current housing which prevents these benefits.

e. Specific aspects of the requested housing which are deemed necessary in order to avoid medical complications related to the diagnosed condition.

B. Policy Requirements For Official Medical Release From Housing Or Meal Plan

If you have a documented medical condition that prevents you from eating in University dining facilities, you may submit a request for release from a traditional residence hall to the Associate Director of Residence Life. To document the medical condition students must provide the Associate Director of Residential Life with a signed dietary order from a licensed health professional, and then discuss, with the dining services nutritionist, ways the menus can be customized to meet their dietary needs. Next, students must meet with the University Medical Center Director or the University Counseling Center Director and provide them with the nutritionist’s consultation notes. After reviewing the health condition, the Medical Director or Counseling Director may provide a letter documenting the need for release from the meal plan.

After meeting with you, the University Medical Director will make a recommendation as to whether you should be released from traditional housing due to your medical condition. The Medical Director will inform you, the Office of Residence Life and University Auxiliary Services of the decision. If you are released from traditional housing due to medical reasons you may be issued a refund of your meal plan based on time spent in residence, and pro-rated on a weekly basis regardless of the week of departure - you are not subject to the "Four Week Rule" (see section XVI, part C).

Medical Single
A student recommended for a Medical Single by the University Medical Director will be placed in a designated occupancy single room based upon available space. If a student desires a double room as a single based on a documented medical condition, superior occupancy charges will apply (see section XIV).

Gender Inclusive Housing
Recognizing that single-gender housing may not be appropriate or comfortable for all students, Residential Life offers a limited number of rooms as Gender Inclusive Housing in both the residence halls and apartments on a space available basis. Students signing up for these areas will be permitted to have roommates and suitemates from across the gender spectrum. Gender Inclusive Housing will allow for an environment where student housing is not restricted by traditional limitations presented by our current system that is based on the gender binary. We believe that it is important that our housing policies evolve to meet the needs of all students and to create an inclusive, welcoming environment. Continuing students may elect Gender Inclusive Housing during their Residence Hall or Apartment sign-up. New students to the University should contact the Department’s LGBTQ liaison, Holly Barker-Flynn, at 518-442-5875 or hbarker@albany.edu.

Accessible Condition

C. Campus Policy Governing Use of Alcohol in Residence Halls

All University at Albany students who live in residence and their visitors/guests are subject to New York State Law and the University at Albany’s policy regarding possession and consumption of alcohol, as well as specific policies governing the Residence Halls. Please note that individuals disciplinary suspended or dismissed from the University forfeit tuition and fees as well as the semester room and board charges in which the disciplinary action occurred, and shall not receive academic credit for the semester in which the suspension or dismissal occurred.

1. Definition of Residence Hall/University Apartment Areas. Residence Halls are defined as the quadrangles and the University Apartment complexes, including outdoor areas. The boundaries of Indian, State, Colonial and Dutch Quadrangles are defined by the first paved roadway or sidewalk adjacent to the quadrangle. Indian and Dutch Quadrangles include the playing fields adjacent to the west and east respectively with regard to the application of this policy. The boundaries of Alumni Quadrangle are defined by the exterior city sidewalks surrounding the quad. The boundaries of Freedom Apartments are defined by the entrance road to the complex from Tricentennial Drive. The boundaries of Empire Commons are defined by the University roadways surrounding the complex.

2. Alcohol Policy in Freshmen Designated Residence Halls. Alcoholic beverages are never permitted in freshman residence halls. This includes all residential buildings on Indian Quad and the designated freshman buildings on State Quad, or any other Quad with designated first year student populations. Designated freshmen buildings on State Quad are identified on a yearly basis on the Residential Life web site at http://www.albany.edu/housing/. Visitors or guests of students residing...
in these areas are not permitted to possess or consume alcohol in these areas regardless of whether they are of legal drinking age. These areas are designated as alcohol free.

3. Alcohol Policy for Students Under 21 Years of Age Living in Non-Freshmen Areas. A person under 21 years of age may not possess or consume alcoholic beverages at any time on the University at Albany campus. No possession or consumption of alcohol is permitted by any student or guest in private residence rooms where all the assigned residents are under 21 years of age. Visitors or guests of students under 21 years of age are not permitted to possess or consume alcohol in the suite or bedroom of an underage student regardless of whether they are of legal drinking age. Alcohol containers, including empty liquor bottles, wine bottles and/or beer cans are prohibited.

4. Alcohol Policy for Students Over 21 Years of Age Living in Non-Freshmen Areas. The following regulations regarding alcohol use apply to students and visitors/guests in the non-freshmen areas who are 21 years of age or older: No individual student may possess more than 12, 12 oz. bottles/cans of beer (or the equivalent), or one liter of hard liquor or wine at one time in their assigned residence room/apartment. Guests or visitors are prohibited from bringing alcohol for consumption or distribution into any residence hall room/apartment. Binge drinking is strictly prohibited. Individuals of legal drinking age may not provide alcohol to underage roommates, suitmates, visitors or guests. Drinking games (e.g. beer pong) and other activities that promote the irresponsible use of alcohol are prohibited. This includes the use of alcohol paraphernalia such as funnels and ice luges. Kegs and beer balls, whether empty or full, tapped or untapped, are prohibited. Spiked punch and Jell-O shots containing alcohol, regardless of alcohol content are also prohibited. Behavior that encourages or contributes to excessive alcohol consumption by another student is prohibited. Carrying open containers of alcoholic beverages or consuming them in any public area of the campus is prohibited. This includes movement between residence hall rooms or apartments with an alcoholic beverage.

5. Compliance with all requests by University officials, including Residential Life staff or University Police, for proof of 21-year-old status is required. If there is reasonable suspicion to believe that alcohol might be in squeeze bottles, cups or other such containers, University staff reserve the right to approach students and hold individuals accountable under the provisions of this policy. Possession, consumption, and storage of alcohol are prohibited in all public areas, e.g. lounges, hallways, stairwells, common bathrooms, or outdoor areas. Driving on University property while under the influence of alcohol is strictly prohibited and will result in arrest, loss of driving privileges on campus, and possible suspension or expulsion from the University.

6. The Incident-Sanction Protocol for Alcohol & Other Drug Violations. The sanctions specified in the University’s Community Rights & Responsibilities are the minimal expectations applied by staff in most student conduct cases involving alcohol and other drugs. The University’s response is not restricted to those sanctions listed in the protocol. Students are advised that illegal possession and/or use of alcohol and other drugs are strictly prohibited at the University.

X. RESPONSIBILITY FOR ROOM USE

Each resident must complete and sign a Room or Apartment Condition Report provided by the residence hall staff within 24 hours of occupying any room, including room changes. This form, when signed by a Residential Life staff representative, is the basis for assessment of any damage and/or loss attributable to the resident at the termination of occupancy. Failure to complete, sign and return the form results in the student’s assumption of responsibility for any damage evident in the room.

Where two or more students occupy the same room or suite and where determination of specific responsibility for the damages or losses has not occurred, an assessment will be made against both or all equally. Charges will reflect actual cost as determined by Physical Plant for any billing. A list of items most commonly billed and the cost is available upon request. If payment is not made, a hold will be placed on the student’s University records.

A. Assessment Room Damage Charges
Students responsible for damage or losses will be billed by the DRL for cost of repair and/or replacement of University property.

B. Common Area Damage Assessment
An attempt will be made to identify students responsible for loss or damages. Failure to identify responsible individuals will result in an equal assessment to all students associated with the common area.

C. Furniture Removal
Furniture must be left in the rooms or lounges to which it has been assigned. Students who move furniture from assigned areas will be billed for the return of the furniture to its assigned area. Where furniture has been moved into a room or suite, all residents of the area will be equally billed for its removal.

D. Alterations
The student shall make no alterations to their bedroom, shared living space or building in which they reside. This includes but is not limited to: altering living space for recreational purposes, painting, removal/disconnection/installation of fixtures, furniture, equipment, or appliances (where applicable) situated therein without the express written consent of the University.

University Apartments
On Empire Commons and Liberty Terrace, it is imperative that students not disconnect and/or rearrange the furniture in their bedroom. Students who violate this policy will be billed accordingly.

E. Lost Keys
If a student loses a key issued by the DRL, it may only be replaced by reporting the loss to the DRL. In such cases, the student will be billed for the cost of re-keying the door. Keys returned by students at check out which are not the same keys issued by the DRL will also necessitate the re-keying of the door with assessment of charges to the student responsible. All keys remain the property of the University. Duplication is strictly prohibited.

*Students found with duplicated keys will incur the cost of a lock change and may be judicially referred.

XI. MAINTENANCE & CONDITION OF FACILITY

All residents have a responsibility to help in maintaining the cleanliness of their living environment and will be expected to clean up after themselves in suites and rooms as well as in lounges and other public areas. Regular maintenance and/or painting by University personnel and/or contractors may be scheduled in rooms; suites and common areas while facilities are occupied. When possible, advance notice will be given.

A. Inspections
The University reserves the right to inspect rooms for safety, security and maintenance purposes. In all cases where the health, safety or welfare of a person may be in danger or in cases where University property or services are jeopardized, the Department of Residential Life staff may enter a suite or room immediately and without notice. Announced safety inspections will occur once each semester, procedures for which will be communicated in advance. In addition, the University reserves the right to search with consent; search incidental to arrest; and to search by warrant.

The Office of Fire Prevention and Control will be conducting fire safety inspections throughout the academic year. Any violations cited must be remedied immediately. Residential Life Staff will ensure compliance. Failure to comply will result in judicial action and/or restitution.

B. Repair work
Repair work in student rooms/suites may be scheduled to occur during recesses. Advance notice will be given to residents, except in the case of emergency repairs.

C. Room & Suite Painting
Rooms and suites are painted on a regularly scheduled basis. Where room conditions warrant, students may request a work order for painting through the DRL. Students are prohibited from painting rooms and/or suites.

XII. PERSONAL PROPERTY LOSSES & CLAIMS

The University is not responsible for loss of or damage to personal property of residents. Personal property insurance may be available through your family’s homeowners insurance, or through the individual purchase of renter’s insurance through the personal property protection program. Information is available at the DRL. Student occupants are urged to provide for the security of their belongings by locking their rooms and by carrying personal property insurance. Mail Services is not responsible for any unclaimed property or packages.

DURING THE INTERSESSION (December & January ONLY): If residents wish to terminate their license, they should refer to Section XIV of this license agreement. There is a $400 license termination fee for release from Empire Commons. The Department of Residential Life and University Apartments does not guarantee license termination.

B. Spring Semester Room Deposits
   To secure a room assignment for Spring 2015 semester, new students as well as off-campus students requesting to move on campus must pay the Housing Deposit fee of $125.00. In order to be eligible for a refund of the Housing Deposit, cancellation of the room request must be made in writing and received in the DRL within 30 days of the receipt of the payment of the Deposit but not later than Sunday January 18, 2015.

C. Room & Board Charges
   Charges are billed by the Office of Student Accounts and are due and payable prior to occupancy. Students are expected to pay in full or provide evidence of financial assistance to Student Accounts by the payment deadline. Students who do not satisfy their financial obligations for room and board charges are subject to removal from residence halls, apartment complexes, and/or revocation of their meal card privileges.

Any Student who is not exempt from the “on-campus residency requirement” will be billed an 4-week housing charge at the standard double rate if they choose to leave and walk-out of their contract.

Students are advised that this License is binding for the duration stipulated in section I of this agreement. For University Apartments (Empire Commons) students with FULL-YEAR Licenses who opt not to check-in during the summer months (June 5th, 2014 – August 2014) will still incur full-year charges.

XIV. REFUNDS & BILLING ADJUSTMENTS

Occupancy of University Residence Halls & Apartments is defined as acceptance of keys and/or moving into the room. For residents continuing from Fall to Spring semesters, occupancy is defined as failure to obtain approval for release via the License Release Request and/or failure to remove all possessions from
the room and return all keys prior to Spring semester opening day, **Sunday January 18, 2015.** Adjustments for room and board charges are based on the date personal effects are removed from the hall and keys have been returned to The Department of Residential Life. Please note releases from Empire Commons are subject to a $400 license termination fee. Adjustments of room and board charges are granted in accordance with the following:

**A. Room**
After a student has occupied a room, no adjustment is available for the balance of that semester, unless the student officially withdraws from the University due to CIRCUMSTANCES BEYOND THEIR CONTROL or unless a written request for release from the Residence License due to CIRCUMSTANCES BEYOND THEIR CONTROL is approved by the DRL. Written third party documentation must be submitted to substantiate reasons beyond a student’s control. In approved cases, room charge adjustments are prorated on a weekly basis. **If a student withdraws from housing after week 8, charges for housing for the remainder of the term will not be refunded.**

**B. Summer Withdrawals – University Apartments (Empire Commons) ONLY**
Should residents who signed up for a full-year license cancel out of that license, they will be reassessed apartment/room charges at the **normal weekly rate**, as defined below, for the period spent on Empire Commons. Student Accounts will reissue a bill to the student in the adjusted amount, based on the normal weekly rate. Students wishing to be released from the Residence License prior to the start of the Fall semester, and who have not checked in, will also be assessed an adjusted room rate reflecting the normal daily rate. The reduced ‘summer rate’ is available **ONLY** to those students who will be residing on Empire Commons for the entirety of their agreed upon full-year license. The ‘normal weekly rate’ is defined as the prorated weekly amount based on academic year charges.

**C. Meal Plan**
Under certain circumstances a student may receive a full or partial (pro-rated) refund for meal plan costs. All refunds require a written release from the Residence License signed by the Director or the Associate Director of Residence Life.

All University at Albany meal plan refunds are subject to New York State tax law provisions. When calculating refunds, the value of the meal plan is measured in terms of the total semester cost of the meal plan, including a weekly meal charge and Munch Money dollars. Munch Money balances remaining at the end of the academic calendar year are forfeited.

**1. Full Refunds**
You may receive a full refund of your meal plan cost only if you fail to occupy your room at the beginning of the semester, as defined by the Residence License.

**2. Partial (Pro-Rated) Refunds**
All pro-rated refunds are based on your time spent in residence, and figured on a weekly basis (the week is defined as beginning on Monday and ending on Sunday). Time spent in residence is calculated from the date that meal plans begin for the semester, through the Sunday following the day the meal plan is deactivated in SUNYCard. (See Section 7: Applying for a Refund). In most cases, refunds are not permitted after you have spent eight weeks or more in residence.

Through the seventh week of the semester, pro-rated refunds of meal plans may be granted for the following circumstances:
- If you officially withdraw or are academically dismissed from the University and/or leave University Housing during a semester, and obtain a written release from your Residence License by the Director or Associate Director of Residence Life
- If you move from a traditional Residence Hall to a University Apartment during a semester
- If you are called for active military duty

**3. Exception To The Partial Refunds**
If you officially withdraw from the University or move from a traditional residence hall due to a documented medical condition for which you have received a written release from your Residence License, you may receive a refund based on time spent in residence, pro-rated on a weekly basis, regardless of the week of departure.
The medical condition must meet all of the following criteria:
- The medical condition prevents you from eating in University dining facilities
- The medical condition is officially documented by the University Medical Director (see Section VIIB7, "Medical Release")
- You have received a written release from the Director or Associate Director of Residential Life, due to the documented medical condition

D. Change Of Housing
After the first ten business days of the semester, changes in meal plans can be made if you leave your room in the residence hall (all students have the option to change their meal plan during the first 10 business days of the semester).
- If you move from traditional residence halls to University Apartments within the first eight weeks of a semester, you may choose to retain your original meal plan, or change or cancel your meal plan.
- If you move from traditional residence halls to off-campus housing within the first eight weeks of a semester, and obtain a written release from your Residence License from the Director or Associate Director of Residence Life, you may choose to retain your original meal plan or you may change or cancel your meal plan.
- If you move after the eight weeks, unless the move is due to a documented medical condition or a call to active military duty; you cannot cancel your meal plan and you will be charged the full amount.

E. Change In Occupancy
In the Residence Halls, students assigned to increased occupancy (one person more than design capacity for a room) are initially billed at the standard double rate. Adjustments to bills for increased occupancy will occur mid semester. If there is a change in occupancy which affects the room rate, i.e., increased occupancy rate to normal occupancy rate or normal occupancy rate to increased occupancy rate, changes in room rates become effective the following week. When campus-wide occupancy permits all students to be placed in normal occupancy (i.e., below 100% campus-wide), all students will be charged at the normal occupancy rate, even if students have elected to remain in increased occupancy.

F. Academic Dismissals
Students that have been academically dismissed must follow these procedures:

1. Fall Dismissal
A student dismissed following the Fall semester must notify the DRL immediately following receipt of the official letter of academic dismissal. The student must make arrangements with the DRL to formally check out of their Fall room assignment PRIOR to opening day Sunday January 18, 2015. Checking out on or after this date will result in room charges. Students appealing the academic dismissal must notify the DRL or will lose their Spring housing assignment.

2. Spring Dismissal
A student dismissed following the Spring semester must notify the DRL in writing within 30 days of receipt of the official letter of academic dismissal, in order to qualify for a refund of deposit for the Fall semester. Students appealing the academic dismissal must notify the DRL of their intent or they will lose their Fall assignment.

G. Judicial Referrals/Actions
A student, either dismissed or suspended from the University, or administratively removed for disciplinary reasons by the Vice President for Student Success, Office of Conflict Resolution, or Department of Residential Life are subject to financial penalties for prematurely breaking this License, and will be required to pay such penalties at the time of their removal from University Residence Halls and Apartments.

XV. RELEASE FROM RESIDENCE LICENSE FOR ROOM & MEAL PLANS
License Release Requests submitted on or after the first day that University Residence Halls and Apartments open for the semester will be considered by the DRL. Specific guidelines for securing approval
of a License Release Request are applied. These guidelines include documented withdrawal from the University, changes in financial situation, marital status and medical conditions, all of which must be **BEYOND THE CONTROL OF THE STUDENT** with proper documentation. When a student is officially released from the Residence Hall License, s/he must vacate the room within 24 hours and complete checkout procedures outlined in Section VI of this license. Students will be charged for room until check out is completed and if they have an active Meal Plan, the refund for the plan will be pro-rated based on the amount of time spent in residence, not on the number of meals left.

Failure to check into University Residence Halls and Apartments, reside in the assigned room, accept a meal card, eat meals, or pay room and board charges does not release a student from the obligations of this License. Except for those students released from the License or officially withdrawn from the University, students who fail to move into their assigned room will be billed one-semester room charge, and for their meal plan where applicable in relation to their housing assignment.

Students who have occupied a room and then move out without being officially released from this License, officially withdrawn from the University, on University Study Abroad, or academically dismissed, will be billed a (4-week) room charge, effective the date of the unauthorized move. This charge will be in addition to a room billing for the amount of time actually spent in residence, determined by the date that keys are returned.

**Renewal**
This agreement does not automatically renew upon expiration on the term designated. The University may accept or deny any such renewal request at its sole discretion.
