COMPLEX PASSWORD RULES

Complex Password Rules:

- > Your password **MUST** be at least 12 characters but no longer than 16 characters.
- > Your password **MUST** contain at least one character from each of the following categories
 - lowercase letter (a, b, c ... through z)
 - uppercase letter (A, B, C ... through Z)
 - number (0, 1, 2 ... through 9)
 - special symbol (~ ` ! @ # \$ % ^ & * = + ()[]{} | \:;'", < . > / ?)
- ▶ The password CANNOT contain
 - your first name, last name or any part of your name
 - your NetID
 - any part of your email address (i.e jsmith@albany.edu)
 - the special symbol { as the first character
 - any spaces or accented letters
- > The password should not contain any personal information such as your birthday or phone number.
- **•** To help prevent unauthorized access to your account, your UAIbany password should be unique.
- Passwords are case-sensitive. How you enter your chosen password above is how you must enter it for the login process.

NETID CONFIRMATION

A confirmation message will display your NetID and confirm that your password is set for the system(s) you can access using your NetID and password.

Use this <u>link</u> to contact the ITS Service Desk or call them at (518) 442-3700 x1 if you do not receive a confirmation screen.
