

CALL FOR PAPERS	7th Annual Symposium on Information Assurance (ASIA '12) & 5th Secure Knowledge Management (SKM 2012) 15th Annual New York State Cyber Security Conference <i>http://www.albany.edu/iasymposium</i> <i>https://www.easychair.org/conferences/?conf=asiaandskm2012</i>	SUBMISSION DEADLINE: March 05, 2012
		Held on June 5-6, 2012 at Empire State Plaza in Albany, NY

This is a call for papers for the 7th Annual Symposium on Information Assurance (ASIA '12), which is being merged with the 5th Secure Knowledge Management Conference (SKM 2012) this year. This event will be held in conjunction with the 15th Annual New York State Cyber Security Conference (NYSCSC). This two-day event is expected to attract over 900 participants including practitioners, researchers, and vendors providing opportunities for business and intellectual engagement among attendees. The symposium is organized by the School of Business and the NYS Center for Information Forensics and Assurance (CIFA) at the University at Albany, State University of New York, as well as the NYS Division of Homeland Security and Emergency Services Office of Cyber Security (OCS). Through generous sponsorships, we are able to have free registration for all selected presenters, authors of accepted papers, and members of government organizations. There is a modest fee of \$50 for not-for-profit attendees and \$200 for private registrants. All participants in ASIA & SKM will also be able to attend other NYSCSC sessions that typically cover practical applications of information security. Authors are invited to submit papers in information assurance and secure knowledge management for (but not limited to) topics listed below:
