Re: Science House Vendor Fair

The Office of Purchasing and Contracts will host a Science House Vendor Fair on Monday, April 11, 2011 from 12:00 pm to 4:00 pm in the Campus Center Ballroom.

This is the first time this event will take place and we are happy we could get the cooperation of so many vendors interested in doing business with the University.

In an effort to promote awareness of the on-line Science House vendor program, we cordially invite you to join us for this opportunity to meet and discover the goods and services that are available from these businesses and to discuss any needs your department may have. Purchasing staff will be on hand to answer any questions or talk to you about your upcoming projects. Attendees will get to view a wide range of scientific products, displays and information offered by our existing on-line vendors as well as their affiliated companies and distributors:

Alfa Aesar	Fisher Scientific Safety	Mettler Toledo
Applied BioSystems	Fisher Scientific Life Science	Millipore
BD Falcon	GE Healthcare/Whatman	New Brunswick Scientific
Biotek Instruments	Greiner	Ohaus
Cole Parmer	Heidolph	Pall
Corning	Kimberly Clark	Rainin
Denver Instruments	Kimble-Chase	Thermo Fisher Scientific Equipment
Eppendorf	Krackeler Scientific	VWR International
Fisher Chemical	Labconco	Wheaton Scientific
Fisher Scientific	Laboratory Products Sales	

Please join the Purchasing staff in the Campus Center Ballroom on April 11th. We look forward to seeing you.
