I am delighted to present to you our Fall 2015 report. As the Assistant Director for Fraternity and Sorority Life at UAlbany I am proud to witness first-hand the continuous investment in tradition. Fraternity and sorority life embodies, each in their specific way, the vow to develop into leaders who uphold the values, oaths, and commitments to our founding principles of scholarship, service, leadership and community.

UAlbany currently has 39 values-based chapters across six governing councils that range in mission from social to service to cultural. Their educational programs, social activities, service projects and leadership development opportunities continue to contribute much to the University community.

This report is designed to celebrate the core values of our community, recognize our hard working student leaders, and share their organizations' stories.

I look forward to seeing you at our next event.

Fraternally yours,

Arleny Alvarez-Peña, Assistant Director
Student Involvement

2015 Highlights:

1. *12 organizations are celebrating their anniversaries; the oldest being 55 years on UAlbany's campus.*
2. *Epsilon Gamma chapter of Zeta Beta Tau Fraternity was chartered.*
3. *The All Greek Council hosted their pre-superhero 5k event Pancakes for Capes Breakfast.*
4. *New member Fall 2015 grade point average is a 2.95.*

10 Points of Light

The University at Albany was selected as one of 10 campuses across the country to participate in the 10 Points of Light event; a nation wide event in which campuses demonstrate their support for survivors of sexual violence.

On October 29th , the University paid tribute to Sunny Kim '11 with a ceremony and a moment of silence that was led by the sisters of Kappa Phi Lambda Sorority, Inc.

In memory of our Greek sister, Sunny Kim of Kappa Phi Lambda Sorority, Inc. Upsilon Chapter at the University at Albany.

Meet & Greet with Fraternity and Sorority Life

Each year Fraternity and Sorority Life host a Meet and Greet with faculty, staff and local community leaders. As part of our meet and greet we request that each guest bring a donation to support a local organization that is in need. This year we fundraised educational materials to benefit the Refugee and Immigrant Support Services of Emmaus (RISSE) which is located on 715 Morris Street in Albany, NY.

Each year, the U.S. government resettles hundreds of refugee families in New York's Capital Region. RISSE currently serve approximately 125 families each year, or over 600 people (just a little under the size of our fraternal community!)

RISSE was founded in 2007 to assist refugees fleeing from the Congo. The initial goal was to help these refugees find housing, jobs, and resources and to advance their education. An after-school program was established for children; then came English as a Second Language (ESL) classes for adults. RISSE has continued to grow, evolving from a small outreach program to a community-strengthening development center.

RISSE works in partnership with the United States Committee for Refugees and Immigrants (USCRI), which services refugees and immigrants for their first 90 days in the U.S.

enCourage Kids Foundation and UAlbany annual Super Hero Sprint 5k fun run/walk to benefit seriously and chronically ill children in the Capital Region, held on Saturday, November 7, 2015.

Day of Service Super Hero Sprint 5K

Each fall, our fraternity and sorority community co-sponsors the Super Hero Sprint 5k with Residential Life for the enCourage Kids Foundation. During the event our community helps with registration, set up, clean up, and cheer the runners as they make their way around the course.

Pancakes for Capes

In addition to helping facilitate the event, our All Greek Council (AGC) hosted its inaugural Pancakes for Capes. Our AGC Directors put on their chef hats and made pancakes for our members who helped create capes for the children of enCourage Kids Foundation. They were able to make over 20 capes for the event!

Members gathered in The Interfaith Center to make capes for the children of enCourage Kids Foundation.

Epsilon Gamma Chapter at the University at Albany chartered October 25th, 2015

Zeta Beta Tau Fraternity

On Sunday, October 25th the colony of Zeta Beta Tau Fraternity at the University at Albany was presented with its National Charter. This is a monumental moment in history for the entire UAlbany Greek community as the Epsilon Gamma colony transforms into a chapter.

In order for these men to become recognized by their national office as a chapter they have had to surpass any expectations set by our local standards. They have gone above and beyond to prove that they are capable of acting efficiently in all areas of chapter operations including philanthropy, payments, and recruiting and consistently maintain membership.

Within our own community, the men of Zeta Beta Tau have demonstrated excellence both philanthropically and academically. With a collective total of 803 hours of community service completed as an organization, each brother averages 29 hours of service a semester! Additionally 15 brothers were recognized on our fraternity Communities' Deans List for Spring 2015.

Thank you to all who have supported Zeta Beta Tau in their journey to becoming a chapter. We are proud to welcome them to our community.

Chapter Standing

Each semester an organization can earn up to 300 points and the opportunity to earn an additional 32 points based on a successful new member education program. Each semester's results are used to designate a chapter as one of the following: Exceptional, Good, Fair or Poor.

EXCEPTIONAL: The chapter has exceeded the minimum expectations required of each social or cultural fraternity, sorority and social fellowship and earned a score of 90% or better.

GOOD: The chapter has satisfactorily achieved or maintained all standards required of each social or cultural fraternity, sorority, and social fellowship and earned a score of 70% or better.

FAIR: The chapter has failed to meet the minimum standards required of each social or cultural fraternity, sorority, and social fellowship; however, the deficiency can be corrected the following semester. Chapters that are designated with this standing earned a score between 50% and 69%. The Assistant Director of Fraternity and Sorority Life will outline the expectations a chapter must meet in order to fulfill the deficiency (ies) that resulted in the Fair standing in a detailed **Action Plan**. Those chapters designated as Chapters in Fair Standing for an entire academic year will be referred to the All Greek Council for sanctions.

POOR: The chapter has failed to meet the minimum standards required of each social or cultural fraternity, sorority, and social fellowship. Chapters that are designated with this standing earned a score between 25% and 49%. The Assistant Director of Fraternity and Sorority Life will outline the expectations a chapter must meet in order to fulfill the deficiency (ies) that resulted in the Poor standing in a detailed **Action Plan**. A Chapter in Poor Standing will be referred to the All Greek Council for sanctions. Those chapters designated as Chapters in Poor Standing for an entire academic year will be administratively reviewed.
