MEET THE WINNERS

Saturday, April 23, 2016

"Passion and teamwork can turn a bunch of ordinary folks into an unbeatable winning team." —Prakah Iyer

Greek Field Day consisted of teams competing in various events to display what team has the best teamwork, competitive edge, strength, balance, communication, and more! Teams consisted of a maximum of 10 players to compete in these events.

Activities our fraternal leaders participated in were:

Tug-a-War | Three-Legged Race | Cornhole
Ladder Golf | Flag Football and much more!

The 2016 winning team is the Brothers of Iota Phi Theta Fraternity, Incorporated and Friends!

Day of Service

2nd Annual: 200+ UAlbany Fraternities and Sororities volunteer to pack survival kits for victims of sexual assault

On April 13, 2016 fraternities and sororities joined together at the SEFCU Arena for the second annual “We Care” event. The “We Care” project kits contained items such as clothing, toiletries, a hairbrush, gift cards, journal, and a personal note from each packer.

Chapter Standing

Each semester an organization can earn up to 300 points and the opportunity to earn an additional 32 points based on a successful new member education program. Each semester's results are used to designate a chapter as one of the following: Exceptional, Good, Fair and Poor.

EXCEPTIONAL: The chapter has exceeded the minimum expectations required of each social or cultural fraternity, sorority, and social fellowship and earned a score of 90% or better.

GOOD: The chapter has satisfactorily achieved or maintained all standards required of each social or cultural fraternity, sorority, and social fellowship and earned a score of 70% or better.

FAIR: The chapter has failed to meet the minimum standards required of each social or cultural fraternity, sorority, and social fellowship; however, the deficiency can be corrected the following semester. Chapters that are designated with this standing earned a score between 50% and 69%. The Assistant Director of Fraternity and Sorority Life will outline the expectations a chapter must meet in order to fulfill the deficiency (ies) that resulted in the Fair standing in a detailed **Action Plan**. Those chapters designated as Chapters in Fair Standing for an entire academic year will be referred to the All Greek Council for sanctions.

POOR: The chapter has failed to meet the minimum standards required of each social or cultural fraternity, sorority, and social fellowship. Chapters that are designated with this standing earned a score between 25% and 49%. The Assistant Director of Fraternity and Sorority Life will outline the expectations a chapter must meet in order to fulfill the deficiency (ies) that resulted in the Poor standing in a detailed **Action Plan**. A Chapter in Poor Standing will be referred to the All Greek Council for sanctions. Those chapters designated as Chapters in Poor Standing for an entire academic year will be administratively reviewed.
