PLEASE READ REGARDING HEALTH INSURANCE WAIVER

- Health insurance waivers are for health insurance only. All students are required to maintain and pay for the Emergency Assistance & Evacuation insurance each semester.

- Approved Fall 2015 waivers will be applied for both Fall and Spring semesters of the current academic year only. Additional academic years require submission of updated waivers.

- If you are an employee of the University (Graduate Assistant/Teaching Assistant/Lecturer), you do not need to submit a waiver application EXCEPT if you opt out the employee insurance.

- Travel insurance is not the same as health insurance and will not be accepted.

- Late fees if they relate to health insurance only may be removed until determination of your waiver application. All tuition and other charges including Emergency and Evacuation insurance must be paid. If your waiver is denied, any future late payment fees occurred will be your responsibility.
