The GSRC is a safe space for all students at UAlbany to engage in dialogue around the intersections of Gender & Sexuality on our campus and in our society. It is also a great space for Lesbian, Gay, Bisexual, Pansexual, Asexual, Transgender and Queer (LGBTQ*) spectrum students to meet up, access resources and get involved on campus.

Safe Space >>>

The GSRC provides a safe space for students, faculty and staff to ask questions, find resources and engage with like minded individuals around topics of Gender and Sexuality.

The GSRC also provides Safe Space training: This sticker indicates faculty, staff and students across campus whom have participated in a standardized training on LGBTQ* identities and are able to provide support and advocacy.

Diversity >>>

LGBTQ* identities span across race, ethnicity, religion and ability. The Multicultural Resource Center and the GSRC are committed to developing and maintaining a culturally inclusive and supportive campus environment. Together they provide resources, support and programming around the intersections of identity and oppression.

Campus Climate >>>

The University at Albany received 3.5 stars on the LGBT Friendly Campus Climate Index.

UALbany continues a commitment to improving LGBTQ* life through its standing LGBTQIAP Concerns Committee.

“I When I dare to be powerful, to use my strength in the service of my vision, then it becomes less and less important whether I am afraid” ~ Audre Lorde
