2008 Year-End Report
In October, the museum proudly dedicated the Nancy Hyatt Liddle Gallery in honor of Nancy Hyatt Liddle, acknowledging her tireless advocacy for art and recognizing the contributions she made in various capacities throughout her career, during which the museum and our community were a part of her life.

Nancy worked for the museum for twenty-five years and was director from 1977–1992. She was a leader in Albany’s art world and an important part of the city’s contemporary art community. Nancy’s legacy of service and excellence for the museum and the university will be remembered and honored.

Shortly after Nancy’s death in 2004, the museum launched The Nancy Hyatt Liddle Endowment. The $500,000 fund was established in Nancy’s honor, to provide an unrestricted endowment through her own generous gifts and her efforts on the behalf of the museum. Over $400,000 has been contributed to the fund by area citizens in lieu of usual donations to the museum. Contributions to the Nancy Hyatt Liddle Endowment fund are tax-deductible, and the majority of these gifts made in memory of Nancy Hyatt Liddle.

The Director’s Fund is a permanent endowment. It will assist the museum through difficult times and as a resource to support essential programming that would not otherwise be possible. If you would like to make a planned contribution to The Director’s Fund, please mail your gift to: University Art Museum, The Nancy Hyatt Liddle Endowment, 1400 Washington Avenue, Albany, NY 12222. For more information, please call 518-442-5218.
