November 15, 2013 — The Impact of the Affordable Care Act
As the enrollment period to obtain health coverage under the Affordable Care Act (ACA) begins, nonprofit organizations in New York State are under considerable pressure to ensure employees, clients, and the people in the communities they serve obtain access to health insurance. But directing people to health insurance exchanges to obtain health coverage is only part of the process. What is the Affordable Care Act and how will it affect nonprofit organizations?

Welcome: NY Senator Neil Breslin and Elizabeth Boris, PhD, Urban Institute

Go To Resources: Perform Well

Series Overview
Emerging Issues in the Nonprofit Sector is a series of nonprofit knowledge and resource sharing events designed to bring University at Albany (UAlbany) faculty, students, staff and community leaders and experts together to:
- Identify and discuss nonprofit sector issues and concerns
- Share knowledge and expertise and identify issues requiring further research and education
- Coordinate the development and dissemination of knowledge through community-based research, education, and service initiatives
