Grants and Proposal Course
Scholarships from RF for Registration Fee

The Research Foundation is again happy to extend the RF/CPD Scholarship to any SUNY faculty, administrative staff, or graduate student interested in taking the Grants and Proposals course (details below). Scholarship funds are available on a first come, first served basis for the registration fee* as long as funds are available.

Go to the RF/SUNY CPD Scholarship page on the RF public website for more information and the scholarship application.

Questions on the scholarship program can be sent to the RF Training Unit administering the program.

*Course materials or extraneous costs cannot be covered with scholarship funds.

Grants and Proposals: If you write it, they will fund
6 Online Workshops
April 29, May 1, 6, 13, 15 and 21 – 3:00 – 4:30

Based on the book, Writing Successful Science Proposals, this virtual workshop outlines the components of a successful proposal and the steps to get there. Learn how to improve your chances of getting funded through fund sourcing, proper planning and organization, concise writing, collaboration, and proposal submission. Participate in interactive and relevant discussions and activities with faculty from the comfort of your home or office. Although the course is based on a book about scientific proposals the lessons are applicable to all proposals.

Presented by Dr. Harold Walker, Professor and Director of the Civil Engineering Program at Stony Brook University
