UALBANY STUDENTS IN THE COMMUNITY

Over 7,900 students performed community service in the Capital Region and beyond (estimated number for 2012/13)

AS ENGAGED LEARNERS

UAlbany students assist government, non-profits and business through internships, clinical placements, field projects, study abroad and other courses.

Community and Public Service Program

Over 1,300 students assisted 140 non-profits and nearly 13,000 people in 2013-14.

Education Community Service Course

Nearly 100 students tutored/mentored more than 650 youth in Albany and 12 other school districts in 2013/14.

State Senate, Assembly, Governor’s Office

Over 100 students intern annually.

Study Abroad

Over 90 students participate annually in service learning and internships overseas, such as engaging in post-tsunami clean-up in Japan and HIV/AIDS education in Tanzania.

AS VOLUNTEERS

UAlbany students help community groups improve lives whether through food, clothing and toy drives, fund-raising or service in after-school programs, soup kitchens and nursing homes.

U.S. President’s Honor Roll

UAlbany has been recognized on the (U.S.) President’s Higher Education Community Service Honor Roll for the past four years.

Student Association

Funds over 30 community service clubs and sponsors tutoring and mentoring, sustainability projects, and the biannual Pine Hills Neighborhood Clean-up.

Campus-wide action

Over 400 student athletes, members of 37 fraternities and sororities, Presidential Honor Society, the 5 Quad Volunteer Ambulance Service, the Middle Earth Program hotline, and other groups donate thousands of hours annually to address community needs.

UALBANY ACTS AS A MAJOR FORCE FOR ECONOMIC VITALITY AND GROWTH

A Regional Anchor
Over 20,000 faculty, students, and staff. Over 43,000 alumni living in the Capital Region.

Human and Intellectual Capital
Addresses leadership, workforce and research needs in the state and world – in the arts and sciences, business, criminal justice, education, computing and information, public health, public policy and administration, social welfare.

Research Strength
Over $620 million expended from external sponsor awards by UAlbany. In addition, $579 million expended by School of Public Health Faculty through Health Research, Inc. (HHI) (2010 - 2014 FYs).

Small Business Development Center
Since 1984, has served over 21,755 businesses, helping them invest over $346 million in the area’s economy, and creating or saving nearly 11,000 jobs.

Young Entrepreneurs Academy, Small Enterprise Economic Development (SEED) Program and more
Working to increase entrepreneurship from middle school to college and beyond.

UALBANY STRENGTHENS SCHOOLS AND ADVANCES EDUCATIONAL OPPORTUNITIES

Assistance to K-12 students, teachers and families
Involves dozens of programs — from STEM and college readiness programs to varied supports for high-needs students. Playing a leadership role in The Albany Promise, a cross-sector cradle-to-career partnership to improve the educational outcomes for students in the City of Albany.

University in the High School
Provides college-level courses to over 8,000 students a year from approximately 200 high schools in 37 New York counties.

Scholarships, awards and prizes
The University at Albany Foundation, Alumni Association and Benevolent Association assist over 1,100 students annually, many with financial needs.

Center for Autism and Related Disabilities
Since 2002 has trained over 53,500 people in New York and beyond to improve outcomes for children.

Capital Area School Development Association
Founded in 1949, CASDA serves 110 school districts with professional development programs.

Just for the Kids NY
Identifies best practices in higher-performing schools in the state and helps other schools learn from them.

UALBANY Enhances Government, Non-Profit and Workforce Performance

Professional Development Program
Since 1976, PDP has trained hundreds of thousands of public employees in state, county and New York City agencies.

Center for Technology in Government
Fosters public-sector innovation and enhances public value and good governance.

Emerging Issues in the Non-profit Sector
Builds capacity in the region’s non-profit organizations to improve program and service delivery.

SUNY’s Center for International Development
Advances the capacities of developing nations to meet critical governance and policy challenges.

UALBANY Improves Health and Community Well-being

Center for Public Health Continuing Education and Center for Global Health
Help thousands of public health professionals address health challenges locally, statewide and globally.

Center for the Elimination of Minority Health Disparities
Assists New York’s smaller cities and towns in addressing serious health disparities.

RNA Institute
Conducts research on human diseases to develop innovative diagnostics and therapeutics.
