

A Parent Seminar: Can your doctor help you or your child with autism?

Guest Speaker: Anthony Malone, MD
Developmental Pediatrics

Date: Wednesday, April 23, 2008

Time: 6:00-8:00pm

Place: The Desmond Hotel and Conference Center
660 Albany Shaker Road, Albany, NY

The Center for Autism and Related Disabilities is excited to announce guest speaker Dr. Anthony Malone. Dr. Malone is a developmental and general pediatrician with extensive experience in the care of typical and special needs children, medical education, and administration.

Dr. Malone will discuss the medical approaches to autism, help parents understand the role of physicians, identify the weak points in medical care, and introduce parents to the concept of "medical home."

To reserve a seat, please complete the enclosed registration form.
