2. Accomplishments this academic year (2003-4)

What do you see as your major accomplishments this academic year in the program?

8. Write about your accomplishments this academic year (2003-4).

9. If you had an assistantship or fellowship, briefly describe what you have been doing to fulfill the responsibilities.

10. If during this academic year you have published any articles or books, or presented papers at conferences, or have manuscripts in preparation, or received awards, please list them here:

11. Have you run into any obstacles, or not been able to accomplish something you wanted to? (Do not include anything here that you would prefer the faculty as a whole not to read--email Dr Walmsley separately on anything confidential)

3. Plans for the upcoming year (2004-5)

What are your plans for the upcoming year? (For your studies, assistantship/fellowship, work, writing, etc.)

12. Write about your plans for the upcoming year (2004-5):

13. Do you have any incompletes in courses or projects that are behind schedule? If so, what plans do you have for completing them?

14. Do you have any comments or suggestions for the Department that would improve the quality of your graduate study, or the advanced programs generally?

That's it. Thank you for submitting this report!
