University at Albany Preferred First Name Policy

What is a Preferred First Name?
A preferred first name is one that you choose to be called that is different from your legal/primary first name. The University at Albany allows you to do this by setting a Preferred First Name field in MyUAlbany.

What is UAlbany’s Preferred First Name Policy?
The University recognizes that some community members wish to use a first name other than a legal/primary first name to identify themselves. As long as the use of this different first name is not for the purpose of misrepresentation, the University will utilize the Preferred First Name for the Class Roster, Grade Roster, and Blackboard, if you choose to enter this field on MyUAlbany. Your legal/primary first name will appear on all other University records and documents. A student’s legal/primary name will remain unchanged in all other University related systems. Students who wish to change their legal/primary name can obtain the needed Request to Change Name, SS #, and Other Demographic Data Form on the Registrar’s Forms page at www.albany.edu/registrar.
