Faculty Research Award Program (FRAP)
Final Report

Please help us measure the effectiveness of the FRAP and improve the campus impact of the program, by completing the following brief report and returning it to Janice Bogan, Assistant to the Vice President for Research, UNH 307 C jbogan@uamail.albany.edu by the end of the award period noted on your award notification letter. This information will not be used to characterize individual productivity, but rather to improve the effectiveness and efficiency of the program. *Please note that this form must be completed as a condition of the award.*
