WISH FINANCIAL OBLIGATIONS INFORMATION*

WISH Payments:
The cost of Washington Intern Semester Housing is $4,730 + $200 security deposit (security deposit is refundable at the time of move out based upon satisfactory condition of apartment). Students will have 2 payments to WISH:

1. WISH Deposit:
Students will need to make an initial deposit of $500 ($300 housing deposit + $200 refundable security deposit) to hold their spot at WISH. The housing deposit is due on October 26, 2016. Students may choose to pay by check or PayPal. Students opting to pay by check should submit their check to Zakhar Berkovich by October 26, 2016 (please make checks payable to WISH). Students opting to pay via PayPal should email interns@internsdc.com before October 26, 2016 to set up a payment; students will be charged an extra convenience fee to pay via PayPal.

2. Remaining WISH payment
Students will need to pay the remaining balance of the $4,430 directly to WISH. If you would like to pay via PayPal, you can do so; however, you will need to pay a convenience fee, which will be based upon a percentage of the amount that you will pay. If you wish to pay by PayPal, then please email interns@internsdc.com.

WISH has offered three possibilities for the rental payment:
   a) Their normal payment is to have full payment by December 1, 2016.
   b) Upon request from the student, they split fees 50/50 between December/January, which will require a promissory note to setup payment plan and a $20 setup fee (can be included in the semester balance)†. Payments are due on December 1, 2016 and January 31, 2017.
   c) Students on financial aid can defer most of their housing payment until after they receive their aid/loan check from the university†. Students on financial aid are required to pay $1,000 on December 1, 2016 and a $20 promissory note setup fee in order to defer the bulk of their housing payment until their financial aid is released from the University. Students are required to coordinate directly with Financial Aid and WISH. The student must obtain an individual award letter from financial aid detailing the amount of aid. The student must also sign a promissory note with WISH which has their letter from financial aid attached.

†For option b and c all students interested in setting up a payment arrangement must notify WISH of this request IN ADVANCE and not on the day the semester’s balance is due (December 1). Please email interns@internsdc.com

Please send checks or money orders to: 307 Massachusetts Ave NE, Washington, DC 20002 (Make check payable to WISH)

*Costs are anticipated and are subject to change. Final housing and Campus Comprehensive fees will be calculated in fall 2016.
