

There is a Department of Political Science listserv for graduate students:

Psgrad-l (where the last letter is an L, not the numeral one)

Students should subscribe to the listserv. To subscribe to the listserv, please send an e-mail message (from your own account) to:

listserv@listserv.albany.edu

The subject line should be blank. The message should read:

sub psgrad-l (First Name (Second Name)

For example, if I was subscribing, the message would read:

Sub psgrad-l Scott Barclay

After you send this, the computer will immediately reply with a message that requires you only to reply with the word OK as the only message.

To send a message to people on the list, simply e-mail to this address or reply to the list you are part of:

psgrad-l

Your message will automatically be distributed to all on the list. Be careful, if you only want to reply to the person sending the message and not the whole list, ie. Ensure that you are responding to only them if your are replying.

Good luck. Please subscribe as soon as possible.
