Justification for Proposal:

In the 2004-05 academic year, the School of Education stopped admissions to the CGS in Urban Education. In summer 2008, the last student in the program reached the statute term. Therefore, there are no students remaining in the program. This request is to formally delete the CGS in Urban Education from the graduate bulletin, university system, and New York State Education Department Inventory of Registered Programs.

Please note: The three core courses associated with this program were previously removed after all students had completed them: EDU 527, EDU 500, and EDU 501

Do other Departments or Schools offer similar or related courses? yes ☐ no (If yes, attach memo from affected Depts or Schools certifying that this proposal does not overlap with their offerings)
