Note: See Note, [table 3.106.2004](#). These figures are aggregated from individual State statistics presented in [table 3.108.2004](#). These data include estimated offense totals for agencies submitting less than 12 months of offense reports (Source, p. 498). Complete data for 2004 were not available for Illinois; crime counts for Illinois were estimated by the Source. For definitions of offenses and areas, see [Appendix 3](#).

<sup>b</sup>The percentage representing "area actually reporting" is based on the population covered by law enforcement agencies providing 3 or more months of crime reports to the FBI.
